

The Ancient Society of Kilwinning Archers

29th Open Day Results, 11th August 2013

The Butt round was held in McGavin Park, Kilwinning. Shooting commenced at 10:00, under the control of a Field Captain in calm weather, with just a little light rain at the end of the round to make a mess of the score-sheets!

Thirty seven visiting archers took part, with thirty five completing the butt round. No Society members participated.

A full list of results, arranged by Score/Hit/Gold is appended.

The Papingo was held in its traditional location, the Kilwinning Abbey Tower. Shooting commenced at 15:10 and continued, with a short interval to accommodate a squally rain shower (score sheet mess, again). Shooting terminated at about 17:20 after thirty five competitors had completed five full rounds: 175 arrows.

The Papingo was downed with the 73rd arrow by Nick Dunwell, gaining the Walker Rose Bowl and a gold medal.

Regrettably, no wings were gained although there were some very near misses (naturally).

Grateful thanks to all those Society Members and visitors who assisted in setting and clearing the field and tower, and the ensuring that the general public stayed out of harms way.

David A. Tough

Field Captain on the day.
